

2018 STATEWIDE NALOXONE ADMINISTRATIONS

21 March 2019 ~ ROIC201803-03830D

Office of the Regional Operations and Intelligence Center (ROIC), Drug Monitoring & Analysis

The Office of the New Jersey Regional Operations & Intelligence Center (NJ ROIC) monitors New Jersey's drug environment through the Drug Monitoring Initiative (DMI), Office of Drug Monitoring & Analysis (ODMA). This report updates naloxone administrations by law enforcement (LE) and Emergency Medical Services (EMS) in the state.

The chart and table below show naloxone administrations by LE and EMS first responders statewide in 2018. All information is subject to additional updating, and may not reflect all administrations to date. The top five counties in each category are highlighted in red.
